”With the plot Lee presents successfully old Inarisaami traditions and describes vividly the northern nature. In the illustrations Inarisaami culture is depicted delightfully, correctly and in a positive way.”

Marja-Liisa Olthuis, Ph.D., Inarisaami scholar and university lector, author

“This is a lovely story and the characters are charming.”

Cosgrove Hall Films

“I absolutely loved reading ‘The Forgetful Squirrel’ as did my husband and two children.”

Michelle Crick

“The book intertwines Saami culture into a fable in a unique way. The nature becomes alive and starts talking to us and revealing its secrets. Ancient traditions and beliefs are carried to younger generations in Lee Rodgers’ warm book. This educational book is certainly for adults as well. I recommend ‘The Forgetful Squirrel’ to anyone interested in Saami culture.”

Veli-Pekka Rätty, Ph.D. in Art and Design
