This bilingual Inari Saami/English childrens book tells of Sammeli and his first day at the Language Nest. Sammeli is a young boy who likes adventure. One autumn morning he embarks on a new adventure, his first day at the Language Nest. He has been before, with his mum and dad but today they have to go to work. Sammeli is a bit scared but excited too. Soon he will be able to talk to his good friend Mr Partanen, who has already taught him some Inari saami words. Sammeli learns new words, makes new friends and the important lessons of sharing and never giving up.
